A mobile application mockup for a 'Confirm Order' screen. The screen is displayed on a grey smartphone frame with a home button at the bottom. The status bar at the top shows signal strength, 'ABC', the time '12:12 PM', and a battery icon. The app interface includes a hamburger menu icon on the left, a 'City' dropdown menu, and a power icon on the right. The title 'Confirm Order' is centered. Below the title are six input fields: 'Name', 'Mobile No', 'Billing Address', 'Delivery Address', 'Order Detail', and 'Timing'. At the bottom of the form are two buttons: 'Order' and 'Cancel'.

Here user can give his/her review to any selected restaurant.

A mobile application interface for submitting restaurant reviews. The screen is framed by a grey border representing the phone. At the top, a status bar shows signal strength, 'ABC', the time '12:12 PM', and a battery icon. Below the status bar is a navigation bar with a hamburger menu icon on the left, a 'City' dropdown menu in the center, and a power icon on the right. The main content area is titled 'Reviews'. It contains a 'Restaurant' dropdown menu, followed by a large text input field labeled 'Review'. At the bottom of the form are two buttons: 'Submit' and 'Cancel'. The phone's home button is visible at the very bottom.
